## Enterprise murder trial ends with guilty verdict for Malcom Hunter

A recent murder trial in the Enterprise Division of Coffee County resulted in a guilty verdict.

Twelfth Judicial Circuit District Attorney Tom Anderson said Malcom Hunter was found guilty Wednesday, May 16, by a Coffee County jury for the murder of Ayanna Nneka Smith. Smith was age 26 at the time of her death in 2017.

According to reports, Smith was last seen Jan. 21, 2017, in Enterprise. Hunter was arrested Feb 2, 2017 and charged with murder in her disappearance.

"The jury took less than an hour to reach their guilty

Malcom Hunter

verdict," Anderson said.

The victim's body was never recovered after extensive searches by the Enterprise Police Department and other law

enforcement agencies, the district attorney said.

"Evidence at the trial of the case indicated that the defendant shot Ayanna Smith on the night of January 21, 2017, and then ultimately disposed of the murder weapon and body," said Anderson. "The District Attorney's office is grateful for the hard work of the Enterprise Police Department in this case."

Anderson further commended assistant district attorney's Mary Katherine Head and Jon M. Folmar for spearheading the prosecution in this matter. He said they are pleased with the result on behalf of Smith's family.

"This case involved the prosecution of a defendant for murder without recovering the body of a victim, which is the first such case in recent history in the Twelfth Judicial Circuit and one of just a few in the State of Alabama," Anderson said.

A sentence hearing for Malcom Hunter is scheduled for Monday, June 11, at 9 a.m. in the Coffee County Courthouse - Enterprise annex building. Anderson said the State will seek the maximum sentence available - life without parole.

Honoring Those Who Served!

The First Annual 'Flags-In for Elba' was held Friday, May 25, at the Evergreen Cemetery. Those helping place flags at graves of veterans included: (left to right) American Legion Post 43 2nd Vice Commander James Hodge, Volunteer Nancy Hodge, American Legion Post 43 Commander Jenny Reed, Tara Johnson from Hayes Funeral Home, American Legion Post 43 1st Vice Commander Craig Wheinstein, and Legion member Jimmy Vaughn.

## Flags-In for Elba honors veterans

### Flags-In Program Instructions:

Three Easy Steps:

- (1) When standing at the grave, salute (hand over your heart or military salute), say the veteran's name and thank him/her for his/her service.
- (2) If you would like to say a prayer as well, feel FREE to do it - that is what he/she served for!
- (3) Flag may be placed where ever one wants and will depend on the type of headstone and the area around it. Sometimes, there is concrete or hard gravel surrounding the grave, so merely go to a point where you can insert the flag where it is fairly obvious who it is for.

Please pick the flags up after Flag Day on June 14th.

The First Annual Flags-In for Elba was held last Friday, May 25, at the Evergreen Cemetery.

The sponsoring group, CoffeeCountyVeterans.org, chose the newly formed American Legion Post 43, under the leadership of Commander Jenny Reed, to work with Heath Wyrosdick and Tara Johnson of Hayes Funeral Home to start the annual project in Elba. Around 300 flags were placed at the Evergreen Cemetery by the Legion members and the funeral home staff on Friday afternoon.

Later that afternoon, the Holloway Family placed flags at the Hillcrest Cemetery and Hayes Funeral Home also placed flags at the Woodland Grove Baptist Church Cemetery. The Frontier Girls from Dothan placed flags at the New Brockton Cemetery.

Travis Parker, spokesman for CoffeeCountyVeterans.org, said the group was extremely pleased with the turnout.

"We ran out of flags just 15 minutes after we met at the Legion Hall on Friday morning, and I had to procure 200 more very quickly," Parker said. "We placed flags at two dozen cemeteries from Daleville, to Enterprise, to New Brockton, to Elba, and many points in between. There were groups from Dothan, Enterprise, and Elba, as well as walk-in volunteers who started last Tuesday and placed over 2,000 flags thru Sunday until the rain came."

Parker said there are almost 100 cemeteries just

in Coffee County alone, so the CCV.org Goal of a flag and wreath on EVERY grave of a Veteran in the county and close by is just starting.

"My thanks to Hayes Funeral Home, The American Legion in Elba and Enterprise, the Enterprise Civitan Club, the Wiregrass Homeschool Junior Civitan Club, the Military Order of the Purple Heart, the Beta Club, Girl Scout Troop 9114, Boy Scout Troop 150, the Frontier Girls, and the many other the other volunteers," Parker added.

## During special meeting held May 24th at noon Coffee County Board of Education members accept several resignations from personnel

by Linda Hodge, Editor

The big item on the agenda for the Coffee County Board of Education during a special meeting held Thursday, May 24, at noon was dealing with personnel matters, including 10 resignations between certificated and support personnel.

Board members approved the personnel matters presented to them by Superintendent Terry Weeks without any discussion. The matters approved included:

- Seven resignations by the following certificated personnel - Caleb Morris, science teacher at Kinston School; Kristen Cooper, math teacher at Kinston School; Meagan Harrelson, English language arts teacher at New Brockton High School; Cayne

### Coffee County Schools will offer two summer school sessions: June 4 - 27 and July 2 - 27

Harrelson, science teacher at New Brockton High School; Mandy McGowin, elementary teacher at Zion Chapel School; Katie Miller, elementary teacher at Zion Chapel School; and Kirby Hutchins, elementary teacher at Zion Chapel School;

- Two employments for certificated personnel - Jonathan Deveridge, business/marketing teacher at Zion Chapel School for the 2018-2019 school year [he also will be assigned head

varsity girls basketball coaching duties and assistant football coaching duties at Zion Chapel]; and Stacy Waldrop, elementary teacher at Zion Chapel School for the 2018-2019 school year;

- Three resignations from classified (support) personnel - Evan Harvin, instructional aide at Kinston School; Jana Jones, custodian at New Brockton Elementary School; and Donna Hussey, custodian at Zion Chapel School.

Also during the meeting, board members approved the superintendent's recommendation to conduct Summer School. Weeks said this would be done using Access distance learning, and the school system would have a facilitator on hand to assist students.

He said there would be two sessions for summer school - June 4-27 and July 2-27.

The school system again will hire student workers for the summer to assist

## Stay connected in downtown Elba's community space

Residents, visitors and students alike can now stay online while enjoying the outdoors in Elba's Main Street Community Space.

Thanks to a community grant from the National Main Street, the City of Elba "Free Wi-Fi" initiative is now a reality. The initial Wi-Fi deployment is on the Clements Corner of the courthouse square, a premier gathering place and venue for resting, visiting, studying, and events.

This is the first deployment; other public areas are being looked at to add to the program. Downtown Elba's free Wi-Fi has been added with the generous support of the City of Elba, Troy Cable, National Security Insurance, and the Elba Chamber of Commerce and Main Street.

## Elba High's Class of 2018 receives over \$700,000 in scholarship monies

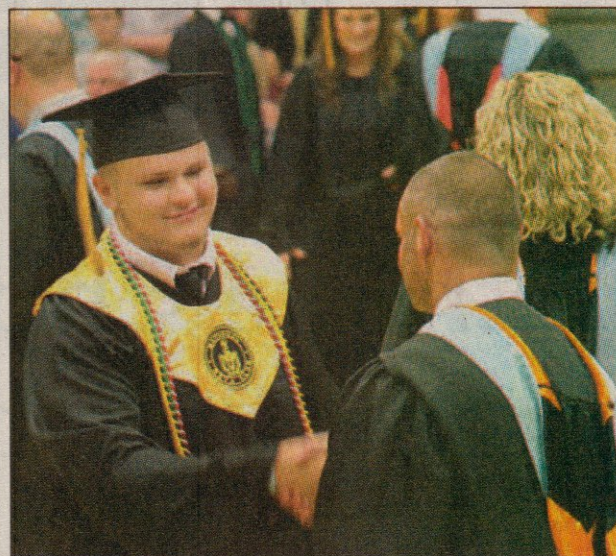

by Linda Hodge, Editor

Elba City Schools Superintendent Chris Moseley garners a big smile when discussing the academic achievements for the just graduated Class of 2018.

Over \$700,000 in scholarship monies helps that smile tremendously, especially when one is talking about a class of just 51 graduates.

"As we are seeing increases in our test scores and scholarship monies here at Elba, the credit goes to the teachers and students for their willingness to work this hard to make it happen," Moseley said.

During the Honor's Day program for the Class of 2018 on May 14th, the announced dollar amount in scholarship monies was over \$500,000 for this year's graduates, but Moseley said administrators felt certain that amount would increase due to information they were receiving. As of last Friday, May 25, the dollar amount had increased to \$717,992 in scholarship monies

Elba City Schools Superintendent Chris Moseley congratulates graduate Tanner Herrington (left) during Elba High School's graduation ceremony held Tuesday, May 15th for the Class of 2018. Herrington is one of the class members to contribute to the over \$700,000 in scholarship monies offered to Elba's Class of 2018. One of his multi-scholarships received was this year's Elba High School Alumni Association Scholarship for \$1,500. Also receiving the EHS Alumni Scholarship this year was Karen Jimenez. Her award was \$1,500 as well.

## Elba Lions Club recognizes new officers

The Elba Lions Club met Tuesday, May 22, in the Elba Senior Citizens Building, located in downtown Elba.

After the Pledge and prayer, a delicious meal was enjoyed by those attending. Special guest was Laurie Chapman, executive director of the Elba Housing Authority, and she presented interesting information about the housing authority, its purpose and function.

Business included the acceptance of a donation from the family of Dr. M. V. Miles who passed away

in March. He was a past president of the Elba Lions Club and an avid supporter of the organization.

In other business plans were discussed to deliver the more than 400 pair of collected eye glasses to the recycling center in Boaz, Alabama to be repaired and made ready for future use.

New officers for the 2018-2019 year were recognized. Outgoing president, L. C. Cook introduced the new president, Leo Brown. Perry Stinson and James Kelley will continue to serve as secretary and treasurer, respectively.

Steve Tolver will serve as vice president.

The Elba Lions Club provides eye exams and/or glasses to qualifying individuals in the local area. If in need of help, pick up an application at the State Farm Office, complete it and leave it there. The application will be reviewed by the Lions Club committee and if the qualifications are met the applicant will be contacted.

### The Greatest Memorial

Memorial Day in the USA is a holiday that is observed on the last Monday of May annually. This day honors men and women who died while serving in the United States military.

This day should not be confused with Veterans Day when we recognize all those who have served, but this day is for a distinguished group of soldiers, originally known as Decoration Day.

Memorial Day became an official federal holiday in 1971, even though it had been observed in some form beginning after the Civil War. Today we honor the memory of the people who have died in the service of our great country. "... If honor, then honor" Romans 13:7

However, as great as our Memorial Day is, the greatest Memorial Day was instituted by Jesus Himself. On the first day of each week the church is to observe the memorial of Jesus death for our sins. (Acts 20:7)

Jesus Christ instituted what is often refer to as Lord's Supper just before the end of His earthly life. The Bible clearly reveals that the Lord Supper is a memorial to the death of Jesus; His body broken and His blood shed. His death made possible the remission of our sins.

Communion, which is another name used for this memorial, is to take place in the Lord's kingdom or church. "And as they were eating, Jesus took bread, and blessed it, and brake it, and gave it to the disciples, and said, Take, eat; this is my body. And he took the cup, and gave thanks, and gave it to them, saying, Drink ye all of it; For this is my blood of the new testament, which is shed for many for the remission of sins. But I say unto you, I will not drink henceforth of this fruit of the vine, until that day when I drink it new with you in my Father's kingdom." (Matthew 26:26-29)

As this memorial is observed, let us recognize it as the greatest memorial man has ever been privileged enough to observe. It is after all this memorial that makes eternal life possible. Honor and respect should be given to God through our faithful obedience to his will.

## Coffee County Family Services partners with Pilgrim’s for job fair

Coffee County Family Services Center is joining with Pilgrim’s to offer assistance with applying for jobs needed at that facility located in Enterprise, Ala.

Representatives of Coffee County Family Services and Pilgrim’s will be on hand Saturday, June 9, from 10 a.m. until 1 p.m. to assist job applicants in the application process. This event will be held at the offices of Coffee County Family Services Center located at 208 West Brunson Street in Enterprise.

Applicants will receive a goody bag, while supplies last, and are eligible to sign-up for door prizes and enjoy a BBQ chicken plate.

“The mission of Coffee County Family Services Center is to strengthen families by working with public and private organizations to efficiently use available resources; thereby, improving the quality of life for children families

and communities,” said CCFSC executive director Judy Crowley. “We appreciate Pilgrim’s working with us to provide an easier venue for individuals to apply for employment. Having a steady job with great benefits can have a tremendous impact on family dynamics and lead to a happy, healthy, stable family.”

## Elba Elementary School taking applications now for 21st Century Summer Program 2018

Elba Elementary School currently is accepting applications for the 21st Century Summer Program 2018.

Elba City Schools superintendent Chris Moseley said 50 slots are allotted for the program. He also noted it is being held in conjunction with the City of Elba’s Summer Camp E.X.C.E.L. [see article below for more details on that program].

This year’s 21st Century summer program will begin June 4th and end June 29th.

## NEW HOPE SENIOR CITIZENS CENTER “MOTHER OF THE YEAR”

The New Hope Senior Citizens Center recently selected its “Mother of the Year” for 2018. Mrs. Pensy Brown is 67-years-young! She is the mother of three children, six grandchildren, and one great-grandchild. Pensy retired from Dale Medical Center in Ozark, Ala. She is a member of New Salem Baptist Church, where she is a kitchen volunteer. Her hobbies include shopping, and playing bingo at the senior center. For being crowned the “Mother of the Year” Mrs. Pensy received a crown, certificate, sash, and a gift basket. Her family was in attendance for this occasion to support her!

## People, not Politics

*I'm Joe Siegelman, and I'm running to be the next Attorney General of Alabama.*

Here's my promise to you – as Attorney General of Alabama, I promise to always put the people of Alabama first.

I firmly believe it shouldn't matter whether you have a "D" or an "R" beside your name, you must be independent to administer justice fairly and equally. It's past time to bring that office back to the people and get politics out.

## Elba's Morris named Water Operator of Year

Melissa Morris, water operator for the City of Elba Water Department recently received the "Water Operator of the Year" award from the Alabama Rural Water Association (ARWA). This award recognizes a State of Alabama Certified Water Treatment Operator with outstanding leadership abilities and accomplishments in water utility operations.

Elba's Morris is a Grade 2 Certified Water Operator and has a Grade 1 Waste Water Operator license. She has continuously shown commitment, ingenuity, and knowledge in the execution of her job during her 12 years tenure with her system.

Morris works any hours necessary to ensure the system is run efficiently and she has been known to give a customer her personal cell number so she could help the customer at any time of the day or night.

Morris is responsible for the maintenance and care of 60 miles of distribution lines, four wells, a 2 cell 20-acre lagoon and 44 lift stations in addition to being responsible for over 2,000 water customers. She is always thinking outside the box to come up with solutions and improvements for her system.

Her colleagues say that Morris is an

generated for Elba High School.

The Class of 2016 had 61 graduates and the scholarship monies offered totaled \$553,130, while the Class of 2017 had 49 graduates with a scholarship monies total of \$510,900.

Lusk also noted a large amount of these monies included athletic scholarship, which can be high in value. As for this year's graduating class, she said the majority of scholarships offered were academic not athletic, which she said is something all are very proud of at Elba High School.

"It is another indicator that a focus on academics is working at Elba High School," Lusk said.

The "Top Two" scholarship recipients for the Class of 2018 were Mia Clark and Jessica Lewis. Lusk said these two seniors combined for a total of approximately \$325,000 in scholarship offers.

The superintendent said the school system's relationship with dual enrollment programs with career and technical courses and college courses seems to be another driving force behind Elba's students going out and getting things done.

Lusk said 100 percent of this year's graduates applied to college during College Application Week, which was Oct. 30th - Nov. 3rd.

Of the 51 graduates, 21 graduated with an advanced academic diploma, and 17 graduated with honors. Lusk said 36 students graduated as career tech completers [completed three classes in one field], and 12 graduated as career tech concentrators [completed two classes in one field].

Lusk also noted that 40 of Elba's Class of 2018 graduates have College and Career Readiness Indicators. Alabama defines a student as college and career ready if the student earns at least one or a combination of the following six indicators -

Benchmark score on any section of the ACT test; Qualifying score on an AP or IB exam; Approved transcripted college or postsecondary credit while in high school; Benchmark level on the ACT WorkKeys; Accepted for enlistment into the Military; and Approved industry credential.

"46 of our graduates are starting college this summer or fall, while two have chosen to go to the military first," Lusk said.

"I am always very proud of our students and love to see our numbers go up," Moseley said. "Numbers like we achieved this year are always a plus, and I assure you we will do everything we can to continually see increases in all areas for the Elba City School System."

Moseley added that he also is very proud of both music programs for the school system - band and show choir.

"We are seeing scholarship monies come in for these as well due to the talents in those areas. Since Jan. 16, 2017 when we started our show choir program, we already have had four vocal scholarships for our students."

"Good things are happening with our school system thanks to the dedication of everyone involved," Moseley said. "We are super proud to see this happen!"

## Views From The Pressbox

By Ricky Mularz, Sports Editor

Last week's wet weather may have spoiled some outdoor plans for our grandson Lawson, but it didn't keep us from having fun as he learned how to play checkers and beat his 'ole granddaddy three out of four times. It was fun to watch the look on his face as he tried to plan his next move, and before long he actually set me up a few times and had a couple of double-jumps. It was important for him to win, but *the real winner was me!*

### For what it is worth....

\*\*\* I talked with Elba Tiger head football coach Pate Harrison last week for quite a while and remained excited that the upcoming season could very well be special for the players and fans. Coach Harrison went position-by-position with me explaining what worked and what his plans are in the summer, and I got the idea that even the veteran coach is excited about the summer workouts and spending more time with his players. The Tigers seem to have more depth in the offensive backfield than in recent years, a young but aggressive line, and lots of players that love to play football and are willing to do whatever it takes to win. Yep, I am already looking forward to Elba Tiger football.

\*\*\* St. Paul's Episcopal School, in Mobile, filed a federal lawsuit last week against the Alabama High School Athletic Association alleging that a new AHSAA rule penalized some private school sports teams and would put the schools' athletes in danger. The suit asked the court to abolish the new 'competitive balance' rule and described the rule as "arbitrary, discriminatory and dangerous. The rule in question requires certain private schools that achieve a certain level of success in certain sports to be reclassified for athletic purposes, which results in the sports teams playing against schools with larger enrollments. St. Paul's would be a 4A school if not for a multiplier of 1.35 for its students based upon a perceived advantage enjoyed by private schools due to their ability to draw students from a larger area, but is classified 5A due to the multiplier that has been in effect since 1999. With the new 'competitive balance' rule, 15 of the schools athletic teams will be classified as 6A for the coming year, including the football team, which has won the 5A state title in three of the past four years. St. Paul's won a total of five state titles during the 2017-2018 school year, tied for second most of any school in the state, private and public. According to the lawsuit, several physicians have stated that playing in the larger classification would create 'dangers' to the participants since they would be forced to compete against players from "much larger" schools. The suit stated that football was a "collision" sport and claimed the new rule could lead to more dangers due to concussions. The AHSAA has been in court many times in recent years, but this trip into federal court puts it on a new playing field and it will be interesting to see if the St. Paul's lawyers can hand pick a judge that will go along with their complaint and delay the new rule taking effect. If it works, maybe some of the schools with only twenty or so players can sue to play only schools with the same number of players, and others with no players over a certain weight can sue to just play other teams that aren't bigger than them, physically. I have never agreed with public schools being forced to compete with private schools, and maybe now some others will finally take action and let the private schools compete against the private schools, and do the same for the public schools.

\*\*\* The sports teams at Elba High are all hard at work, and next week the Elba Lady Tiger basketball team is set to compete at a play date at Florala High School. Coach Shaun Hammonds is back at the helm for the Elba girls and has already begun to install a new system that he feels will lead to even more wins, and it will be interesting to watch the girls this summer as they get ready for a new season and a new coach. The volleyball team is also hard at work with the junior high, junior varsity and varsity players all working out in the weight room and on the court.

\*\*\* In closing.... the entire Elba community is still in shock over the tragic death of eight-year-old TJ Northey. The popular young student at the Elba Elementary School drowned while on vacation with his family last week and all that knew him, young and old, are in shock. I pray for his family to receive Divine guidance to help them during this time of grief, and borrowed a few words from Hans Christian Anderson to add to a few of my own that may give them a little solace.... "Then TJ opened his eyes, and looked up into the angel's beautiful face, which beamed with happiness, and at the same moment they were in heaven, where joy and bliss reigned. TJ received wings like the other angel, and they flew about together, hand in hand."

### During summer workouts

## Coach Pate Harrison sees work ahead

The Elba Tigers concluded spring football drills recently with an impressive 36-12 win over Samson, but Tiger head coach Pate Harrison stated last week that despite the victory in the spring game there is a lot of work left to do before the team will be ready to open the season on Aug. 31 against the Opp Bobcats.

"It is always great to win on the scoreboard and it gets the fans excited," said Harrison, "but after breaking down the film we as coaches realized that there is a lot of work left to do if we hope to reach the goals we have set for next season."

"On offense we found out that we have a solid quarterback and two pretty good running backs that are threats every time they get the ball," added Harrison. "Byron Johnson had a good night throwing the ball and is also one of our best runners, but he will have to get bigger and stronger during the summer to take the pounding that comes with playing the sport of football. Richmon Singletary and Collin Harrison both looked good running the ball and both showed they had speed and the instincts needed to be successful runners. It is always good to have more than one back, and we hope that by the time summer ends we will have several capable backs that can challenge a defense. We also feel good with our depth at the quarterback position, since Richmon Singletary was the starter a year ago at the position, and we had two other young players see action in the game. We expect to have quality depth at all positions in the backfield."

"Our offensive line was really young in the spring with only one senior in the starting lineup," said Harrison, "but that senior has experience and the newcomers all showed signs of being solid players. We will work hard with them during the summer to get them bigger and stronger, as well as teach them the fundamentals of the position, and feel we will have the chance to be pretty good up front. We didn't throw the ball much

in the spring, but we all feel like we have some receivers that have both good speed and good hands, and will throw the ball a lot in the summer to develop a solid passing game. We will need to be balanced on offense to be successful, and that is something we will work hard on during the weeks to come."

"Overall," stated Harrison, "what everyone saw in the spring is only a shell of the offense we will have in the fall. We basically ran about five plays in the spring game out of three different formations, and just did what we felt like we could do successfully after only a handful of practices. The offense we ran was put in for the spring game, and while it may resemble the offense we use in the fall, it was just a small part of our offensive package."

"On defense we played hard and did a good job up front," added Coach Harrison, in his first year at the Elba helm, "but didn't do a good job reading our keys and didn't do a good job in the secondary. Our down linemen did a solid job controlling the middle of the line, but we didn't make the correct reads on the ends a couple of times and the defensive backs had a hard time practicing what we preached for the

two weeks prior to the game. Our linebacker were at a disadvantage because we agreed not to do any blitzing, but they too will have to do some work recognizing offensive sets and knowing what to do no matter what the offense does. Since I am the defensive back coach I guess some of the blame goes to me for their performance. We tried to give the secondary a new mindset in the spring to give them a preview of what we will do in the fall, and it didn't work like we had hoped. It may not have been that bad since they only worked on it for two weeks, but in these days of spread offenses the secondary must make it reads and react. That will be something that gets a lot of attention this summer."

"We threw a lot at the players in the spring to see

how they would react and they worked hard and never complained," added Harrison. "We started summer workouts the day after school got out last week and will work three days a week during the month of June and then put in some extra hours leading up to the fall. The players need a little time away from the weight room and the practice field or it becomes a job, and at the high school level it has to be fun to be successful. I promise all Elba Tiger fans that no one will work harder or spend more time working to get better than me, and I expect my coaches and players to do the same thing. I am excited about the upcoming summer and the upcoming season, and believe the players will have the same attitude and that the Tiger fans will be excited when we get back on the field."

Local UDC chapter holds Southern Cross grave marker dedication ceremony in Elba

The Gen. Edmond Winchester Rucker Chapter 2534 of the United Daughters of the Confederacy® (“UDC”) recently held a dedication of a Southern Cross Grave Marker for Confederate veteran James A. Crawford Rowell at Evergreen Cemetery in Elba, Alabama.

Rowell was born in Georgia in May 1836 to John and Betsey Rowell. He was the seventh of 13 children. It is believed they came to Alabama between 1842 and 1844. In 1850 the family was farming and living in Randolph County, Alabama.

On 20 January 1862, James enlisted at Elba into the Confederate Army as a private in Co. D, 22nd Regiment of the Alabama volunteers, which later became Co. K, 25th Regiment Alabama infantry. In July 1862, James was wounded at the battle of Murfreesboro, Tennessee. The Regiment fought in the battles at Missionary Ridge, New Hope Church in Georgia, Atlanta, Jonesboro, Franklin, and Nashville. Although the Regiment suffered many losses, they persevered. They fought in Columbia, Kinston and Bentonville. After the loss of so many men, the 25th was consolidated with the

19th, 22nd, 39th and 26th-50th. The men were all paroled at Greensboro, North Carolina on May 1, 1865.

Upon returning to South Alabama, James met the sister of one of his Army buddies. Her name was Matilda Harper. They were married in the winter of 1865. Matilda’s father, John William Harper was a successful farmer in the Clintonville Community in Coffee County. As a wedding gift he gave the couple a large tract of land. James and Matilda begin a family and started farming, making the Rowell name known in Coffee County. They had 11 children when Matilda died unexpectedly in February 1884 at the age of 38, her youngest child was only 2 ½ years old.

After Matilda’s death, James met Sarah Melissa Norton of Pike County. She was the widow of E. M. Brooks. They were married 14 November 1884. They had the first of eight children in September 1885. In December 1895 James lost the property he had received from Matilda’s father due to an unpaid mortgage. He continued farming as a tenant farmer to provide for his family. At the age of 70 he applied for and received his war pension until his death on 17 September 1908. He was

buried in Evergreen Cemetery with his first wife, Matilda. His second wife, Sarah, stopped receiving her widow’s pension in November 1914 her date of death and where she is buried is uncertain. In the 1910 census she was living in Florala, Alabama and running a boarding house to support herself and her minor children.

The idea of bestowing the Southern Cross of Honor to Confederate veterans was conceived in Atlanta in July 1898 by Alexander S. Erwin of Athens, Georgia at a reunion of Confederate Veterans. Erwin and Sarah E. Gabbett of Atlanta are credited with the design of the metal. The metal was at this point authorized by the UDC to be awarded to any

Confederate veteran who had provided “loyal, honorable service to the South and given in recognition of their devotion.”

The grave marker is a two-sided, cast-iron replica of the Southern Cross of Honor Medal. This cross stands atop a metal rod placed into the ground at the veteran’s grave. It is sometimes referred to as the

“Iron Cross of Honor.” The cross is typically placed on a Confederate grave by local UDC Chapters, Sons of Confederate Veterans Camps, family members or interested parties related to the Confederate veteran. The grave of any Confederate veteran who served honorably is eligible for placement of this symbol.

The dedication was held at Evergreen Cemetery in Elba, Alabama on May 20, 2018. The opening prayer was given by Cathy Odom, Chaplain of the Rucker Chapter. The welcome and introductions were made by Chapter President, Laura Womack-Rowell. A poem, Graves of Confederate Dead, was read by Chapter member Patsy Stevens, followed by the roll call of 54 Confederate veterans buried at Evergreen Cemetery.

Flags had been placed on these graves indicating their Confederate service.

After the dedication by President Womack-Rowell the marker was unveiled and a wreath placed by great-grandson, James M. Rowell. The poem, The Same Canteen, was read, the benediction was given and Co. B Clanton’s Battery, 1st Battalion, Alabama Light Artillery gave the rifle and cannon salutes.

ALABAMA AT CARL FOLSOM FIELD, will be received at 200 Buford Street Elba, AL 36323 until 2:00 pm, Wednesday, June 13, 2018 at which time the bids shall be publicly opened and read aloud.

Sealed bids submitted prior to the bid opening should be sent to Pat Boothe, Assistant City Clerk, 200 Buford Street Elba, AL 36323.

An Optional Pre-Bid Conference will be held at 2:00 pm, Wednesday, June 6, 2018 at 200 Buford Street Elba, AL 36323.

The project includes, but is not limited to 6 unit T-hangar construction and associated site work (grading, concrete aprons, utilities) as shown on the plans and indicated in the specifications.

Digital copies of the bid documents are available at www.GarverUSA.com for a fee of \$30. These documents may be downloaded by selecting this project from the "Plan Room" link, and by entering Quest Project Number 5773129 on the "Browse Projects" page.

For assistance and free membership registration, contact QuestCDN at 952.233.1632 or info@questcdn.com. Addendums to the bid package will be issued through the online Garver Plan Holders List; therefore, all prime bidders shall be responsible for downloading the bid documents from the Garver online plan room in order to be included in the Plan Holders List.

Prime bidders should be registered on the Garver Plan Holders List in order to submit a bid on the project. Proposals shall be accompanied by a cashier's or certified check upon a national or state bank in an amount not less than five percent (5%) of the total maximum bid price payable without recourse to the Owner, or a bid bond in the same amount from a reliable surety company, as a guarantee that the Bidder will enter into a contract and execute performance and payment bonds within ten (10) days after notice of award of Contract to him. Such bid guarantee shall be made payable to the City of Elba.

The successful bidder must furnish a performance and payment bond upon the form provided in the amount of one hundred per cent (100%) of the contract

price from an approved surety company holding a permit from the State of Alabama to act as surety, or other surety or sureties acceptable to the Owner. Certain mandatory federal requirements apply to this solicitation and will be made a part of any contract awarded:

1. Buy American Preferences (Title 49 U.S.C. Chapter 501)
2. Foreign Trade Restrictions (49 CFR 30.17)
3. Davis Bacon Labor Provisions (29 CFR Parts 1, 3, and 5)
4. Requirement for Affirmative Action (41 CFR Part 60-4)
5. Debarment, Suspension, Ineligibility, and Voluntary Exclusion
6. Requirements for Drug-free Workplace

Mechanics and laborers on the project shall be paid not less than the minimum hourly rates set out in Prevailing Wage Determination Number AL20170159. A copy of this form and the minimum hourly rates are bound in the contract documents.

The City of Elba and City of Elba reserves the right to reject any or all bids, to waive irregularities in the bids and bidding deemed to be in the best interests of City of Elba, and to reject nonconforming, nonresponsive, or conditional bids.

Bids must remain in effect for 120 days after the bid opening date.

## VOTE DEANN CRONK FOR CIRCUIT CLERK

Paid for by DeAnn Cronk for Circuit Clerk, P.O. Box 312509, Enterprise, AL 36331

For the past several weeks, I have been campaigning with my daughter, Deann Cronk, who is running for Circuit Clerk of Coffee County.

I discovered while visiting with many of you, that you did not know Deann is my daughter.

So, I am reaching out to all my friends, who I have met during my 27 years at Kleinerts Inc. and 12½ years as the solid waste clerk with the Coffee County Commission, to ask you to vote June 5th for Deann as the next Circuit Clerk of Coffee County.

With 20 years experience in the circuit clerk's office, she is well qualified and has a excellent work ethic!

Your vote will be greatly appreciated!

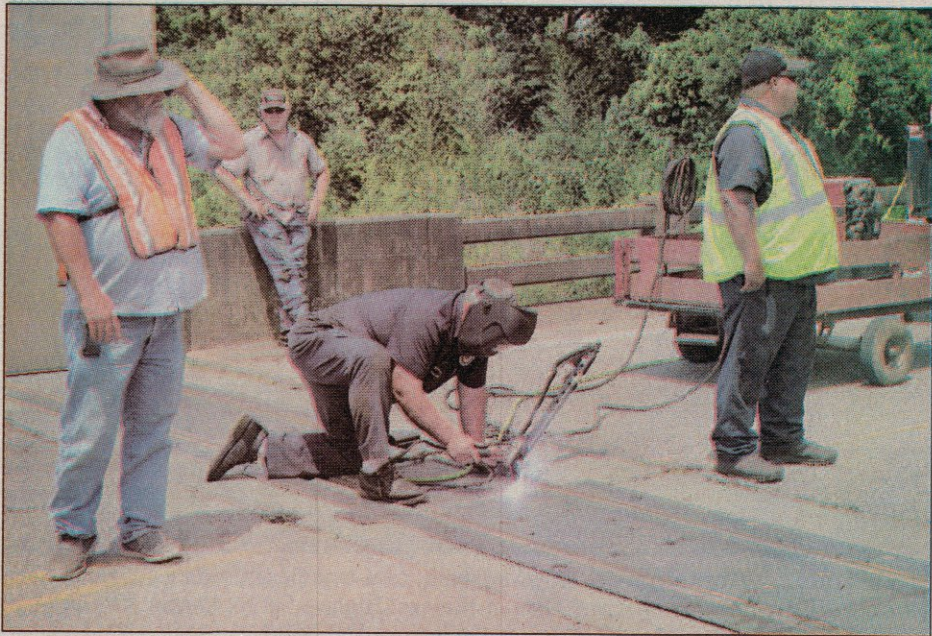

Thank you,

**KEEPING THE FLOOD GATES IN GOOD OPERATING ORDER...**City of Elba employees completed some repair work Thursday, May 17, on the flood gate track for the Davis Street bridge in downtown Elba. Heavy traffic across the bridge over time has created a minor problem with the track in which the gate slides across when it is being closed and opened. To ensure it is in good operating order for any time needed, the city employees check the gate routinely and make any necessary repairs (as shown here).

## Senator Gerald Dial helps distribute free opioid treatment kits to Wiregrass-area rescue squads

State Senator Gerald Dial (R-Lineville) and representatives from Kaleo Inc., last Tuesday afternoon, May 22, distributed 130 free naloxone auto-injector kits to Wiregrass-area rescue squads.

Naloxone is a prescription medication that can reverse the effects of an opioid overdose. The press conference took place at the Dothan Opera House.

According to a 2017 study by Blue Cross and Blue Shield of Alabama, the Yellowhammer state has the highest rate in the nation of per capita opioid prescriptions. On May 2 at the State Capitol in Montgomery, Kaleo committed up to \$12 million over the next three years in grant money to fund the distribution of naloxone kits to every rescue squad in Alabama.

Senator Gerald Dial is shown speaking at last Tuesday's press conference at the Dothan Opera House.

"Since we started this campaign on May 2nd, rescue squads have used the auto-injector kits to save three people who were at danger of dying because of an overdose," Senator Dial said. "All told, we have distributed 656 naloxone kits to rescue squads across the entire state. I appreciate Kaleo stepping forward to help our rescue squads save lives, and I am also grateful to the Alabama Department of Public Health and Alabama EMS for their help in educating first responders on how to use the naloxone kits."

The retail price for a naloxone auto-injector kit can be as much as \$3,750. Kaleo, Inc., has made the kits available, free of charge, to Alabama's rescue squads.

**\*\* Gerald Dial represents District 13 in the Alabama State Senate, which includes all or parts of Chambers, Cherokee, Clay, Cleburne, Lee, and Randolph counties. He is the immediate past chairman of the Senate's Health and Human Services committee.**

## Recognition and precautions needed to prevent heat illnesses

The Alabama Department of Public Health advises the public to be alert to the warning signs of heat illnesses.

Heat-related illnesses occur when the body is exposed to high temperatures. The incidence of these illnesses rises expectedly during warm weather periods, and anyone exposed to high temperatures or extreme heat can experience symptoms when the body's temperature control system is overloaded.

The most common heat-related illnesses are as follows:

- Heat cramps
- Heat exhaustion
- Heat stroke

Heat cramps — include muscle pains or spasms (abdomen, arms or legs), profuse sweat, and high salt concentration in the sweat.

Heat exhaustion — is associated with heavy sweating, paleness, muscle cramps, tiredness, weakness, dizziness, headache, nausea, or vomiting and fainting. Other possible symptoms may include cool and moist skin, fast and weak pulse rate, fast and shallow breathing, or irritability.

Older adults, those with high blood pressure and those working or exercising in a hot environment are prone to heat exhaustion. If heat exhaustion is not treated, it may progress to heat stroke.

Heat stroke or sun stroke — the most serious heat-related illness, a life-threatening problem, may occur when the body is unable to control its temperature. Body temperature may rise to 106 degrees F or higher within 10 -15 minutes. Signs include an extremely high body temperature, red, hot and dry or moist skin, rapid, strong pulse, throbbing headache, dizziness, nausea, dehydration, combativeness or confusion, and unconsciousness.

Heat stroke is a medical emergency and even with immediate treatment, it can be life-threatening or cause serious long-term problems.

It is recommended people drink plenty of fluids except alcohol or caffeinated beverages to prevent dehydration, stay in an air-conditioned room, keep out of the sun by seeking shelter, wear a wide-brimmed hat, light-colored and loose-fitting clothing, and use sunscreen of SPF 15 or higher, take cool showers or baths, and reduce or eliminate strenuous activities during the hottest times of the day.

Individuals with heart disease, diabetes, obesity, poor circulation, or previous stroke problems, people of older and younger ages, and those taking certain medications are at greater risk of becoming ill in hot weather.
